

## History of New Britain: With Sketches of Farmington and Berlin, Connecticut 1640-1889 (Classic Reprint) (Paperback)

By David N Camp

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from History of New Britain: With Sketches of Farmington and Berlin, Connecticut 1640-1889 In the preparation of this work, the original records of the Connecticut Colony, and of Farmington, Berlin, and other towns, were carefully examined; old deeds, wills, and other ancient papers were deciphered, and whatever was found throwing light upon the early history of the places described was freely used. The original records of the New Britain Society relating to the first meeting-house, and the steps taken to secure a minister and a school, have been copied at considerable length; extracts from other society and church records have been made when necessary. It has been the endeavor to preserve the memory of local events, traditions, and enterprise, and of notable persons; to glean from old records, from perishable manuscripts, crumbling monuments, and the memory of the aged, material which would soon be lost, but which furnished strong inducements for remembering with gratitude the founders of society and institutions in these towns.
