*Extremely helpful to all type of individuals. It really is basic but excitement inside the 50 % of the pdf. Its been designed in an remarkably basic way and is particularly only right after i finished reading through this book in which basically transformed me, change the way i believe.*

Library Lane Publishing, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Sisters in Arms is a twenty-first century war story - the Witmer family's personal war story. Michelle Witmer was the first female National Guard member in history to be killed in action and the first Wisconsin National Guard combat fatality since WWII. The Witmer family's struggle with the complex issue of family members serving side-by-side received world-wide media attention and Michelle Witmer's story would later be included in the HBO documentary Last Letters Home. Using the letters, emails and phone calls received during their deployment, John Witmer describes his daughters' experiences in Iraq and provides insight not only into the lives of female soldiers, but into the lives of families who wait for soldiers. Sisters in Arms illuminates the changing roles of women in the military while sharing the deeply personal story of a family's struggle to come to terms with profound loss.
