New World Library. Paperback. Book Condition: New. Paperback. 176 pages. Dimensions: 8.4in. x 5.4in. x 0.6in. In these pages, beloved mythologist Joseph Campbell explores the Space Age. He posits that the newly discovered laws of outer space are actually within us as well, and that a new mythology is implicit in that realization. But what is this new mythology? How can we recognize it? Campbell explores these questions in the concluding essay, *The Way of Art*, in which he demonstrates that metaphor is the language of art and argues that within the psyches of today's artists are the seeds of tomorrow's mythologies. Campbell writes in his introduction: My desire and great pleasure in the preparation of this little volume has been as rendering a return gift to the Graces for the transforming insights of these recent years, which. . . we have been testing out in a broadly shared spiritual adventure. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
