

Jean Muir: Beyond Fashion (Hardback)

Filesize: 5.47 MB

Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
(Rene Olson)

ACC Art Books, United Kingdom, 2009. Hardback. Book Condition: New. 264 x 262 mm. Language: English . Brand New Book. With the closure of Jean Muir Ltd. in 2007, interest in the life and work of the Iconic British fashion designer has never been greater. Jean Muir (1928-1995), doyenne of dressmaking, is forever associated with the little black dress . Her signature style married a distinctive purity of line with a soft fluidity on the body, to create the sensuous, deceptively simple clothes that became her trademark, epitomized by her work in matte jersey, and in particular her jersey dresses, which brought her legendary status in an internationally-renowned career that spanned four decades. Working with a range of fabrics, which apart from her matte jersey included wools, silks, suedes, leather, and fine cashmere, she was the first designer on the international stage to apply couture quality and craftsmanship in her collections. Whilst the French accorded her the title la nouvelle Reine de la Robe , the actress Joanna Lumley, a Jean Muir house model in the 70s, who has worn Muir designs ever since, famously stated that, every woman should have a Jean Muir in her wardrobe . Her designs were constant favourites with artistic, literary, and dramatic personalities drawn to the discreet luxe and timeless femininity of her clothes: Dame Judi Dench, Dame Maggie Smith, Lady Olivier, Charlotte Rampling, Lauren Bacall, Barbra Streisand, Bridget Riley, Dame Elisabeth Frink, Lady Antonia Fraser, Dame Diana Rigg, whose actress daughter, Rachael Stirling now also wears Muir. This beautifully illustrated book highlights the variety and appeal of a career that covered every aspect of the fashion world, and includes many of Muir s sketches, as well as photography by Norman Parkinson, David Bailey, Eric Boman, Barry Lategan, Sarah Moon, Deborah Turbeville, Helmut Newton...
