Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Notice how your body feels. Now ask your body this question: Would I get at least 100 times the value out of this book, compared to what I paid for it? If something doesn't feel affirmative, look elsewhere. If something does feel affirmative, ask if this book would greatly help you on your path. If you get another affirmative, do consider getting this book. Our lives are the crystallization of the questions we ask. If you want to change your life, it is as easy as changing your questions. Tony Robbins discusses Power Questions, however he, and other authors, only offer a few examples, in their books, of the kind of questions in this book. This book offers numerous kinds of questions, enough that you can notice the patterns, and ask your own quantum power questions, beyond what is listed here. Run your fingers down the pages, see which question feels right to ask. This book has over a thousand times as many quantum power questions as any other book we've ever read on the subject. We have not found any other books quite like this one. The left brain model of learning is to ask questions of compiled information, or to use compiled information to assess phenomena. That's fine. There is another path- asking questions to open up awareness, which can move into direct knowing, with the entire Universe as the readout device. I sometimes read books where I know most of what's in them. That is not so interesting. I much prefer books that have tantalizing hints of awareness outside of my comfort zone, that are confusing. I went through college feeling confused, stupid, and in shock....
