By Clarissa Lighthouse

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Discover the underlying meaning of the numbers in your life and develop a better understanding of their karmic influences in our destiny and life path. Have you ever wondered if there is a way to connect science and spirituality? If there is something tangible and logical about metaphysics? Many people ask these questions on their path to self-discovery, and what you are about to discover is that the answer is yes-through the science of numerology. Numerology is a guide for putting together the puzzle of your life. The science of numerology was discovered thousands of years ago, and its concepts have been proven time and time again: Numbers carry their own energies, and their vibrations affect our lives both directly and indirectly. The first time you look at a numerology chart, chances are you will be overwhelmed. There are so many numbers that it seems that only the truly gifted could properly interpret it. The truth is that understanding numerology is easy and within the grasp of anyone who is interested in learning both the art and the science. This beginners...
