THE KLASS - TYROS (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Tyros - a secret society at the University of Alabama - controls student politics. But their actual charge is to train the future leaders of The Klass. Over eighty years ago powerful Southerners came together to begin preparations to take control of the South for themselves, and wrest it permanently from the federal government's chokehold. After placing multiple generations of those loyal to The Klass into the bastions of America's power, the organization is finally ready to fulfill its purpose of secession. But, one vital element of the plan remains missing; The Klass needs a weapon like no other. That weapon now exists, and if falls into the hands of The Klass, America will change forever. But, several students at Alabama have become suspicious of The Tyros. Their innocent and amateur investigations quickly embroil them into the search for one of the brilliant scientist loyal to The Klass who is intimately involved with obtaining the new weapon.
