Reviews

*Basically no words to clarify. Of course, it is perform, still an amazing and interesting literature. Its been printed in an exceptionally basic way which is only soon after i finished reading through this ebook where actually altered me, change the way i really believe.
(Newton Runolfsson)*

STEAMPUNK D (PAPERBACK)

Penguin Putnam Inc, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Steampunk can be defined as a subgenre of science fiction that is typically set in an anachronistic Victorian or quasi-Victorian setting, where steam power is prevalent. Consider the slogan: What the past would look like if the future had come along earlier. The stories in this all-original anthology explore alternate timelines and have been set all over the world, running the gamut from science fiction to mystery to horror to a melding of these genres.
