Here s to the Crazy Entrepreneurs: Is Entrepreneurism a Mental Disorder? (Paperback)

By Dr Stephen C Harper

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Real entrepreneurs live in a world where they constantly hear, Are you crazy? or What have you been smoking? when they announce to their friends, family, and colleagues they are starting a business. They are the ones who hear, It can t be done? from all the naysayers who are not willing or able to leave their comfort zones. Real entrepreneurs are the ones who think and act differently. They are the ones who see opportunities that others cannot see. Real entrepreneurs are not like normal people. They are the crazy ones Steve Jobs described in Apple s Think Different ad who change the world. They are the ones who like operating at the edge without a net. They identify with Karl Wallenda -the great high wire artist - when he said, Life is on the wire, the rest is just waiting. They are the ones who cannot retire. Their lives revolve around sensing and seizing opportunities. While most people think the greatest frustration for entrepreneurs involves seeking sufficient funding, their greatest frustration is that the opportunity clock is...

Reviews

The publication is fantastic and great. It really is basic but shocks from the 50 percent from the ebook. Its been written in an remarkably easy way in fact it is only soon after i finished reading this ebook in which really changed me, alter the way in my opinion.
