Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from All About Canada, Vol. 1: For Little Folks The little stories in Book I. Have been written as simply as possible, and have been read, by way of test, in five schools by some two hundred children in the last two months of their grade one year. These children read the stories with ease, but it is possible that some grade one children may have difficulty with the harder words. It is suggested that, during the latter half of the grade one year, when the teacher will, in any case, be giving many little talks to her class upon the subjects dealt with in the book, after each talk is over she should, as review, have the children read the suitable story from the book, either aloud or silently. The pictures have been selected with care, and it is hoped that they will be useful to the teacher in connection with her talks, as well as to the child in his reading.
