

ECOWAS: The Protocol Relating to the Mechanism for Conflict Prevention, Management, Resolution, Peace-Keeping and Security

Filesize: 1.33 MB

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Ally Reichel)

ECOWAS: THE PROTOCOL RELATING TO THE MECHANISM FOR CONFLICT PREVENTION, MANAGEMENT, RESOLUTION, PEACE-KEEPING AND SECURITY

GRIN Verlag Sep 2010, 2010. Taschenbuch. Book Condition: Neu. 210x148x2 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2009 in the subject Politics - International Politics - Topic: Peace and Conflict Studies, Security, grade: 2,0, University of Duisburg-Essen, course: Africa International Relations and Conflict Management, language: English, abstract: On 10 December 1999 the Economic Community of West African States (ECOWAS) adopted the Protocol Relating to the Mechanism for Conflict Prevention, Management, Resolution, Peace-Keeping and Security and hence passed 'probably (.) the most ambitious instrument on the regulation of collective security ever attempted to date' (Abass 2000: 212). After three military interventions in the 1990ies ECOWAS, a purely economically intended community at the beginning, was in need of better legal foundations for its missions. The interventions in Liberia, Sierra Leone and Guinea-Bissau were largely characterized by political disputes mostly between anglophone and francophone members of ECOWAS, by weak legal foundations and massive shortcomings in financing, training and equipping the military missions. None of the three interventions can be seen as a pure success. There is even a controversy debate whether the ECOWAS interventions might have prolonged instead of shortened the civil wars in Liberia, Sierra Leone and Guinea-Bissau (see Howe 1996). The Protocol Relating to the Mechanism for Conflict Prevention, Management, Resolution, Peace-Keeping and Security was therefore the attempt to put future ECOWAS interventions on better ground. The outcome was promising, but still bears many deficiencies. Some relate to the provisions made in the Protocol, some relate to the nature of ECOWAS. The success or failure of ECOWAS military engagement in securing peace in the region is vital for the all-african efforts to build up regional peace-keeping powers within the framework of the African Union and furthermore for the decentralization of...
