This book will focus on opening the eyes of the Church to the blood of the Lamb, so that it may properly acknowledge Christ for His merciful duty- by taking the sins of the world upon His shoulders. That the entire body of Church may stop giving His honor of cleansing the body to others. Christ s blood is the thing that can wash our sins, it is the only way that we can be purified and it is the means of going before our Father in Heaven. Purification cannot be accomplished, through Buddha, Shiva, Muhammad, Mary or the Pope. This purification can only occur through the blood of Christ.
