YOU ARE NOT SPECIAL. IHR SEID NICHTS BESONDERES, ENGLISCHE AUSGABE

Book Condition: New. Publisher/Verlag: HarperCollins US | And Other Encouragements | High school English teacher and son of historian David McCullough, David McCullough Jr.'s book is a call to arms for both parents and children based on his wildly popular commencement speech, which has received 1,847,691 views on YouTube, illustrating the idea that life is a great adventure to swallow whole rather than a checklist to complete. | A profound expansion of David McCullough, Jr.'s popular commencement speech-a call to arms against a prevailing, narrow, conception of success viewed by millions on YouTube- You Are (Not) Special is a love letter to students and parents as well as a guide to a truly fulfilling, happy life. Children today, says David McCullough-high school English teacher, father of four, and son and namesake of the famous historian-are being encouraged to sacrifice passionate engagement with life for specious notions of success. The intense pressure to excel discourages kids from taking chances, failing, and learning empathy and self-confidence from those failures. In You Are (Not) Special , McCullough elaborates on his now-famous speech exploring how, for what purpose, and for whose sake, we're raising our kids. With wry, affectionate humor, McCullough takes on hovering parents, ineffectual schools, professional college prep, electronic distractions, club sports, and generally the manifestations, and the applications and consequences of privilege. By acknowledging that the world is indifferent to them, McCullough takes pressure off of students to be extraordinary achievers and instead exhorts them to roll up their sleeves and do something useful with their advantages. | Format: Hardback | Language/Sprache: english | 410 gr | 185x125x28 mm | 352 pp.
