In this book, we explore the stories of a HinJew couple. HinJew couples face the same issues as every couple, in addition to those related to their different ethnic backgrounds. This is a story that illuminates the true spirit of love, which reaches beyond cultural differences and shows us just how similar we are. We live in an integrated world: When there is unrest in the Middle East, global oil prices rise. When Silicon Valley downsizes, engineers in India lose their jobs. Multicultural families face similar challenges; they must balance multiple moving variables to keep the peace.
