Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Does The Thought of Selling Scare You? If you are trying to make money online then part of your job description is to market and sell something whether it be your own product or someone else s. But How Can You Do That If You Just Hate Selling? So often I hear people say things like: I hate selling But I m not a sales person Sales people are so annoying I d be too scared to try and sell something It seems that we all have preconceived ideas about selling and sales people . Perhaps we have had a bad experience ourselves or have fallen prey to an online scam. I know I have! What Can You Do About It? In this book I spell out the truth about selling and how anyone can get the most out of their efforts. You will discover the best ways to engage with your audience and how to be confident that what you are selling is what they actually want and need. I ll reveal why: What you sell makes a huge difference not only for your customers but also for you. When you believe in your product you ll feel much more confident promoting it and your honesty will draw customers to you. How you sell something can mean the difference between success and failure. There is a lot of hype associated with online marketing and it can be tempting to join in and copy what everyone else is doing. However, to stand out against the crowd you need to discover your own unique style. If you re not sure what that is then go through the exercise I provide and you...
