By S.B. Bhattacharjee

New Dawn Press, United States, 2006. Hardback. Condition: New. 5th Revised edition. Language: English . Brand New Book. India, in this chronology of events, stands for the country as it is today and as it was before the Partition in 1947. It takes off from 1424 BC, the year widely accepted by historians as that of the Battle of Mahabharata. Until the end of the 17th century, it mostly covers historical events with reference to matters concerning religion as well as the lives of luminaries. From the 18th century onwards, the chronology gradually embraces various aspects of the national panorama, including social reforms, law, politics, literature, education, sports, science, discoveries, inventions, industry, communications, cinema, etc. These are interspersed with anecdotes to make the book more interesting. The present edition has been revised till 2005.
