Poor Richard Publishing Company. Paperback. Book Condition: New. Paperback. 154 pages. Dimensions: 7.9in. x 5.0in. x 0.6in. In 1758, Benjamin Franklin published the 25th and final issue of Poor Richards Almanac. As a preface to this final edition, he wrote The Way to Wealth and introduced Father Abraham as the main character in the tale. Father Abraham embodied the financial wisdom that Poor Richard Saunders - one of Benjamin Franklins many pen names - incorporated in the 25 years during which the almanac was a staple on mantels above fireplaces, in personal libraries and on the tables of colonial America. In 2008, on the 250th anniversary year of that event, Jeffrey Reeves is adding a unique and timely perspective to this classic book about money and life. The wisdom that Dr. Benjamin Franklin captured in The Way to Wealth is timeless. However, the vernacular of 1758 sometimes obscures the meaning for todays economy and for the personal economies of 21st Century Americans. Jeffreys commentary adds clarity to the language and insights found in The Way to Wealths tested and true principles and practices. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
