Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. JOBS GOING OVERSEAS: Blaming other nations for our jobs being driven over seas or out of the USA is one the biggest lies that has ever been told. No problem has ever been solved by blaming others for ones own weakness or lack of discipline. The problem with the USA and has been for a long time is out of control government spending, period. No government can support a welfare state very long, time s up. Every business must make a profit or go out of business. And the cold hard fact is the USA economy would have collapsed back in the early 1990 s unless a way was found to cut expenses, that way was a mad dash to find the cheapest labor. The cheapest labor couldn t be found here in the USA because able-bodied men were already getting a SSI check or sponging off a mother, daughter, or some other female family member. I m age 73 now but when I was a kid my grandmother got a check and I still think that was the greatest thing to ever happen to the elderly. However, a welfare state destroys the nuclear and extended family system and there never has and never will be a society that survives with that being the case, period. All Wealth and I mean with practically no exceptions comes from some form of private business profit and the truth is USA businesses don t produce enough profit to support our welfare state. So, how in the hell can you bring jobs back if a business can t afford all of the local, state, and federal taxes, plus license fees, permits, and countless...
