

Almost an Addict (Paperback)

By Bill Vancil

Lulu.com, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Includes the author s step-by-step plan for withdrawal from a dependency on oxycodone. He describes the experience of receiving a liver transplant, which involved spending more than three months in the hospital, recovering from the surgery, and developing an opiate dependency. Peels back the menacing, life-threatening spectacle of human dependency and addiction, and squarely explains the difference between the two. A fine read that will likely save lives.
