HANDBOOK OF THE ROCKY MOUNTAINS PARK MUSEUM (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Handbook of the Rocky Mountains Park Museum This handbook is intended to give something to the public now, and to serve as a basis for a future book which may be re-arranged, unified, made more complete, and more appropriate in style for the use of the average citizen. It is: intended not only to present in book form and in order some of the labels of the museum as they are and it is to-day, but also some of the label copy yet to be printed; leaving for a possible future edition other labels and the label copy yet to be written. Some of the labels here given are already illustrated in the museum by specimens. The museum will be modelled after present and future handbooks by securing the necessary specimens and using the handbook matter for labels. Future editions may be issued to include a complete list of all the natural history objects and phenomena of the Rocky Mountains Park, so far as they have been learned.
