Chalfant Eckert Publishing, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.God places people in this world to impact and bless the lives of others, as well as to further the glory of His kingdom. We believe He called us to share the seasons of real life through our mother s journey. Through the good times as well as the struggles she faced, we sought to unveil her life, her loyalty to her children, her unwavering faith, and even her suffering and passing that it may help others in some way. While God expects us to plant the seeds of the promise of heaven, it is ultimately He to whom we give all the glory and praise. With Mama s passing, we came face to face with a grief we had never met before. We set out on a journey to the past: to the challenges she and our father faced, and along the way, we realized the passage back was, in essence, a process by which to understand not only the woman she was, but who we were in her. As the veil began to lift, we quizzed existence: What truly is this thing called life, and what is our purpose? Our journey took us to places we hadn t been in a long time, bringing new revelations, joy, and tears, along with some things bitter to remember. As we ve written about the seasons of Mama s life, we realize more than ever how God can use anyone He chooses, and that everyone s journey matters; especially to Him. Mama s was not a life that was famous or held accomplishments one would read about in the news, but one that did extraordinary works while being an ordinary person.maybe not so much...
