Sophia Phia Lopez has lived a sheltered and over-protected life. First, growing up under the strict rule of her Cuban father in Miami, and then living with her equally stern brother in San Diego. At almost twenty-five, she feels like the world is passing her by. And then, a chance of a lifetime! Phia is chosen to be the personal assistant and traveling companion for famous Hollywood actress, Loral De Winter, who is sailing incognito aboard the luxury cruise ship The Viceroy following extensive plastic surgery. Not only will Phia, an aspiring actress, have the opportunity to learn from a true legend, but she will also be able to finally live life and all it has to offer on her terms - not under the watchful eyes of her brother and father. Not only is Loral on a cocktail of pills washed down by an assortment of liquors and wines, but she's only too happy to share her life lessons and plenty of Hollywood dirt with Phia on a daily basis. To make matters worse, Loral's ex-husband has hired undercover paparazzi on board the ship, attempting to snap embarrassing photos of the still-healing silver screen star that could end...
