Reviews

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest eBook I have read during my very own daily life and could be the best eBook for possibly.

The modern psychologist knows the rough and ruthless man of her dreams is everything she should despise, a quintessential male chauvinist, yet time after time, she finds herself lost in visions of a dangerously handsome rogue straight out of a historical romance. Harriet never believed that her dream lover would cause her any trouble, but when a twist of fate casts her back to the Old South she meets him in the flesh! To her disappointment, Etienne Baptiste refuses to ravish her and fulfill her secret wishes. If Harriet has any hope of making her amorous dreams become passionate reality, she ll have to seduce this charmer with a sweeter savage love than she d imagined possible .and savor every minute of it.
