Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Latter-Day Saints Millennial Star, Vol. 96: June 21, 1934 I am sure that I am putting it conservatively when I say that with the modern improvements and inventions we need work only three hours a day. I am sure that the average man can ao accomplish more in three hours than his grandfather accomplished in eight or ten, because of the conditions that have come. Why not do this little service for material things, the bread we eat and the clothes we wear, and then devote a major portion of our time in caring for this Spirit child of God That is the real living, vital energy in the bodily tabernacles which we behold.
