

Cancer Steals Yesterday's Dream and Tomorrow's Life: The Decisions, Consequences, and Candid Journey of a Cancer Survivor

By Dr Sherman N Miller

S N M Publishing Company, United States, 2012. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.The National Cancer Institute gives a sobering assessment on the potential of cancer striking an American family. Three out of every four American families will have at least one family member diagnosed with cancer (Life After Cancer Treatment, 2006). Since both of my parents died from cancer, it should be no surprise that my siblings and I may suffer from this deadly disease. I think my siblings quietly wondered which one of us cancer would debilitate first. I do not recall ever discussing the devastation of cancer with any sibling. We only spoke of the free spirit life style of our now deceased older brother or the heart problem of our oldest sister. Nevertheless, I was numb when two female doctors said I had colon cancer. These ladies made it clear that I was in a life and death struggle to survive cancer. I found myself confronted with radical changes in my lifestyle where things that were important yesterday were no longer important today. I could no longer take tomorrow for granted and each...
