Brand New Book ***** Print on Demand *****.Praise from Marge Piercy: Penny Perry s SANTA MONICA DISPOSAL SALVAGE is a powerful and moving collection of poems that form a narrative of loss and survival. When the poet was only sixteen, her mother died suddenly and her father abandoned her. She had to take care of herself, cook, clean, learn everything she had been protected from - and she did. Her attitude is incredibly nonjudgmental in these poems rich in detail, grounded in a place and time. They are dense with specifics but flow in carefully crafted effortless-seeming narrative. Praise from Diane Wakoski: I loved everything about Penny Perry s SANTA MONICA DISPOSAL SALVAGE. The vivid details of place, period, people, the rich linking narrative, and most of all the sense of poetry being teased out of the everyday world imposed on the immigrant experience of her grandparents, the echoes of the holocaust, the odd snazzy world of movie dominated California before digitized reality usurped it. . . I who recognize personality in art was completely won over by these poems. In Santa Monica Disposal Salvage -- her first collection of poetry -- Penny Perry links 34 autobiographical poems into a stirring memoir from a famous beach town that is anything but postcard perfect. Here, aging movie stars peer through curtains at tourists as the narrator s parents -- an Irish junkman and a Jewish New Yorker -- struggle to carve out a life in the land of orange trees, perennial sun and cultural divides. In her journey to adulthood, the young woman discovers a knack for salvage and an ability to see the true beauty of a place everyone wants to visit. Praise from Steve Kowit:...
