Lulu Press Inc, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The book tells a true story experienced by the author. Starting with the big question about trust, it goes on to show how far we have gone off the mark of trusting one another in every day life. It explains the unshakable trust in our ancestors. But soon this unshakable trust is lost with the time. In Uganda a conman fools all directors of the Uganda Swiss Company where the author was a one of the victims. In the UK the author experiences the biggest con ever from a Mr T. Looking back the author wonders how on earth he could not see it coming? Sounded too good to be true but not loud enough for his ear! He seems to have forgotten the Ugandan experience of a conman. The last bit is a kind of game of numbers. Something to entertain. But facts in these numbers are actually true.
