Inspired by the author s experience of losing his father and walking the five-hundred and fifty mile Camino de Santiago pilgrimage in Spain, REBIRTH is a novel that follows the main character Amit on his quest to reconcile life s critical questions and to find answers we all seek. The reader walks alongside Amit as he runs from his life, only to learn it s impossible to run from the one person who matters most, himself. This story gets to the heart of some of life s most difficult lessons about family, devotion, and ambition. Amit s the quest is one we all take as we seek to get to the core of our own inner conflict, relationships, and most importantly, learn to love and forgive ourselves. Exploration of themes like self-love and forgiveness are central to the author s writing and have resonated with thousands of readers, from millennials to boomers.Amit s journey in REBIRTH is part physical and entirely psychological and spiritual. His is a universal pilgrimage to better understand how actions we ve taken put us where we are, and how we can change our path to transcend the things that have kept us anchored in fear. Reminiscent of Paulo Coelho s works, REBIRTH is a teaching-tale about love, forgiveness, and facing our fears.
