

The Book of Quatrains: Salvation of Man (Paperback)

By MR Gilberto Davila Jr

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Volume II of The Book of Quatrains series: Salvation of Man is a mind blowing fusion of deep religious and inspirational quatrains which is sure to lift everyone s spirits. Appealing to both the good and bad sides of human nature that is found within all of us, the author mysteriously forces readers to look deep into their self and take a closer look at their life for answers of salvation or damnation. With so much going on in the world today, I have decided to put together a collection of some of what I consider my most revealing works and make it available for everyone to enjoy; hopefully as much as I do. Now it s time to let my thoughts and faith in the Lord fly free.
