## The Finder: A Novel

By Harrison, Colin

Picador, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Brilliant . . . recalls Tom Wolfe's best-selling *The Bonfire of the Vanities*, but this is a far darker story and a far more interesting one. Harrison's Big Apple is rotten to the core."--*The Washington Post* "Brutally effective . . . Harrison spins a fast-paced NYC crime novel. . . . Start reading this book and prepare to cancel all other plans for the next seven hours or so."--*Entertainment Weekly* (Grade: A) "Harrison writes like Rambo on meth and throws in enough black humor to prove he's more brains than brawn. . . . *The Finder's* a keeper."--*USA Today* "Colin Harrison's New York is an eye-for-an-eye, dog-eat-dog Darwinian world with similar map coordinates to Tom Wolfe's Manhattan and the Los Angeles of Raymond Chandler and James Ellroy. . . . A chilling, high-speed roller coaster of a ride that doubles as a sardonic sightseeing tour of the seamier side of New York City." --*The New York Times* "A satisfying thriller canvassing and connecting New York's hedge-fund billionaires with illegal immigrants scraping by on menial labor."--*The Christian Science Monitor* "Some of the best writing being done today . . . ."
