By John Lenac

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. Frappycat is a 30-page, full color, illustrated children s book. It s based on the original Frappycat; Nigel and his new family. Nigel was a feral cat with a badly broken leg. His new family saved him, fostered him and later adopted him. Nigel taught his new family to let go of the things that no longer serve us. Nigel taught them that love and compassion have the ability to transform fear into trust. He taught them that there are no lost causes and that present circumstances are just temporary situations. Most of all, Nigel taught them to never give up. Frappycat is the first in a series of books that helps children understand the tremendous amount of joy, love, and fulfillment that comes with helping to foster and adopt cats.
