2017. Soft Cover. Condition: New. Collector Bookstore is a retailer of new books located in Leavenworth, Kansas. We specialize in price guides and reference books for the antiques and collectibles industry. Discover your Irish roots! This comprehensive book will show how to find your Irish ancestors and learn more about them, with guides to identifying immigrant ancestors, researching major Irish records, and understanding Irish history and geography. Your Irish ancestors are calling! Dig deeper into your family's history with this complete guide to Irish genealogy. This book will take you step-by-step through researching ancestors from Ireland, from understanding genealogy basics to applying advanced research techniques to your family tree. You'll learn how to identify your immigrant ancestors, then how to use passenger lists, naturalization records, marriage certificates, census records and more to pinpoint the immigrant's place of origin. And once you've traced your ancestors back to Ireland, this book will show you how to use records from the old country to research further up your family tree. With chapters explaining the old country's history, geography and administrative divisions, plus sections about finding civil registration, church records, wills, deeds and other traces your ancestors left behind, this book has all the answers you need to find your ancestors hiding in records. The book's appendices also feature guides to Irish archives, libraries and heritage centers, plus a list of the best Irish genealogy websites and publications to consult for further study. Whether you're just getting into genealogy or you've been searching in Ireland for years, this comprehensive how-to guide will give you the tools you need to discover your Irish heritage. Who Should Get This Book You'll love The Family Tree Irish Genealogy Guide if: You just discovered Irish heritage in your family tree and want to know how to learn more...
