Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Fiction writing is thought by many would be authors to be the most popular published genre and therefore perhaps the best to be aiming at when considering a writing career. Current best estimates are that in 2016, published books will double in number from all of those in existence at the end of 2011. Unfortunately, it s difficult to get two knowledgeable individuals to agree on what that figure is in reality. However, one reasonably sound statistic is the percentage of fiction and non-fiction publications now produced annually in the English language. The current estimates are around 30 for fiction and 70 for non-fiction. So, the lesson to learn there then, is that you may stand a considerably better chance of success as a writer by putting together a book of your grandmother s best apple pie secrets than attempting the possibly thankless task of coming face to face with the prospect of writing a novel . a work of fiction . a work of fantasy, a work that will need to find a particular audience. This book is not an answer to that quandary and neither does it offer any form of guarantee to you as a potential author. What it does provide however, is a list of 101 tips of advice and reference to the writer who simply wants to get on with the job! These offerings are provided from personal experience of both the self-publishing and traditional publishing routes. They are collected together in this short book format with the sole aim of supplying you, the potential writer of fantastic fiction, with a series of easy to absorb statements and explanations written in a language that is uncomplicated and...
