Paperback. Book Condition: New. Paperback. 281 pages. This book will offend those incapable of accepting the Gods-honest-truth. It is inspired by His word as it is found in the Holy Bible and not as organized religion has interpreted it over the last two millennia. This unique look at Immanuels two Manuals and the Koran, explains why Islamic terrorists must obey its hateful dictates; justifying 911 as the continuance of the endless war against the Judeo-Christian descendants of Isaac. Islams murderous aspirations spring from the influence upon Mohammed by two spirit emissaries of the Moon god. Allah, the pagan divinity whose pharaoh would not let the Israelites go. His original name, Nannar Sin is enshrined on the Sinai desert and his crescent moon symbol tops every Mosque. Though you wont hear it from the Politically Correct pulpits, the Bible describes in detail the post WW2 Baby Boomer generations and their offspring as being responsible for the universal breakdown of society. Theirs and their childrens sociopathic behavior will lead to the third and last world war at Armageddon, the plain of that name lying to the north of Jerusalem. Are you ready for the Apocalypse (Revealing) It begins with this book. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
