## It All Matters: An Appraisal Anthology (Paperback)

By William L Pittenger

Outskirts Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Volumes have been written about both appraising and real estate lending. Little has been written that bridges the gap between both disciplines. Bill Pittenger has done that. He has distilled a lengthy series of original and contemporaneously written essays produced over four decades into a comprehensive anthology. In it he explores such diverse but relevant topics as using a real estate appraisal to gauge loan repayment risk and how to develop appraisal and community bank risk management policies. He explores federal appraisal regulation - both current and its evolution - as well as fair lending and compliance issues every banker and appraiser needs to understand. He writes about getting behind a value estimate to determine what a value estimate is saying and what the relationship of value indications really means. Appraising and lending on the security of real estate development projects has been a long term research interest of his for which he has received awards for his writings as well as for innovation and provocative thought. He writes about economic feasibility, marketability and highest and best use as well as the...
