Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from A Dialogue on Wit and Folly: Now First Printed From the Original Manuscript in the British Museum Catholic, perceiving that the Protestant interest was likely to prevail under the patronage of her successor, Queen Elizabeth; and, perhaps, apprehensive that some of the severities which had been practised on the Protestants in the preceding reign, might be retaliated on those of a contrary persuasion in the ensuing one, and especially on the peculiar favorites of Queen Mary, he thought it best, for the security of his person, and the preservation of his religion, to quit the kingdom. Thus, throwing himself into voluntary exile, he settled at Mechlin, in Brabant, where he died in 1565, leaving several children behind him, to all of whom he had given liberal educations. His character in private life seems to have been that of a sprightly, humorous, and entertaining companion. As a poet, he was held in no inconsiderable esteem by his contemporaries, though none of his writings extended to any great length, but seem, like his conversation, to have been the result of little sudden sallies of mirth and humour. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
