Lion Hudson Plc, United Kingdom, 2013. Hardback. Book Condition: New. Mini edition. 168 x 150 mm. Language: English . Brand New Book. A little polar bear cub explores the world with his mother and discovers many huge and wonderful things. But in answer to the question Is that the biggest thing in the world? the answer is always no . At the end of the day, little bear wants to know what the biggest thing really is - and finds out with his mother s help that it is love. This heart-warming picture book, with a final fold-out page, stars an adorable cast of wide-eyed animals which are sure to appeal to children and the grown-ups who share this story with them. Scottish author Kenneth Steven is the author of The Sea Mice and the Stars, a picture book which was chosen as the runner up in the inaugural 2006 Royal Mail Scottish Booktrust Awards.
