For most of her existence, she s had little to worry about. She was just a normal, beautiful fairy-like all of her friends-until one day, blue streaks showed up in her wings. Suddenly, she was shunned by friends and fellow fairies. The elders know of a legend that speaks of a blue-winged fairy. In the well-known prophecy, there is significance to this added color, but Ella always thought the prophecy was mere legend, not truth. She could not have been more wrong, as she comes to realize the prophecy is about her. With this news, Ella must leave her village and go on a quest to seek the meaning behind her newly discovered gift. Ella s only companion is Brogan, a warrior wolf, sent to keep her safe as she searches the wide world for her destiny. There are those who would hurt Ella and Brogan, yet there are also those who await their arrival with joy. The legend of the blue wings is finally coming true. Ella must accept her destiny and learn to be a Blue Wing Princess. Will she live to fulfill the prophecy, or will she fall into fearful darkness, just like all the other blue-winged fairies that came before?.
