Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

MANAGING SPORT ORGANIZATIONS (HARDBACK)

Human Kinetics Publishers, United States, 2002. Hardback. Condition: New. Language: English . Brand New Book. Dr. Ruben Acosta has built the International Volleyball Federation from a \$100,000 operation to a \$200,000,000 organization through his great understanding of sport marketing and management. In his book, *Managing Sport Organizations*, Dr. Acosta conveys his marketing and management insights and expertise. As a result, you will be able to build a successful sport program on the local, national, or international level. Dr. Acosta offers straightforward advice to improve communication objectives, public relations goals, and promotion efforts--areas that many organizations fail to execute properly. The author goes into detail to show you how to market and promote a sport or event to the media and to train personnel and recruit members to aid in promotion. He also gives specific promotional strategies, such as having athletes promote the sport in their own community or country. In addition, Dr. Acosta provides you with the skills needed to set and meet short-and long-term goals for your sport organization. The book is designed so that you will be able to build a sport organization from the ground up or improve on an existing organization. Chapter 1 gives a historical overview and uses specific examples to explain current trends in sport organizations. Chapter 2 describes the best strategies for establishing a new sport organization. Chapter 3 offers tips on communicating with important people within the organization as well as the media. Chapter 4 details how to project the right image to the press and the public. Chapter 5 teaches how to establish a leadership style and manage and motivate staff. Chapter 6 offers tips on setting goals and putting plans in place to achieve them. Chapter 7 explains the budgeting process and the best strategies for planning an organization's future. By utilizing the author's 30-plus...
