

Our Hispanic Southwest (Classic Reprint)

By Ernest Peixotto

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Our Hispanic Southwest For year I have known the country described in this book. Upon my various journeys across the continent I have traversed it many times. But it was not until very recently that I explored it systematically with a distinct object in view. This object was to look up the old Spanish Missions and settlements still scattered through Arizona and New Mexico and along the Texan border - picturesque material that has been sadly neglected by our writers and artists heretofore. Truthfully I was amazed at the result and at the interest of what I found both from an historic as well as a pictorial standpoint. A number of books have dealt with our Southwest - which, to an extent, is our Algeria, our Tunisia - as a land of the great outdoors, as a land of rich possibilities, as a land of promise for those in search of renewed health. Reviews

An exceptional pdf and also the typeface applied was intriguing to read through. It is definitely simplified but excitement in the 50 % in the ebook. I discovered this ebook from my dad and i recommended this pdf to find out.
