

Some Well-Known Mental Tests Evaluated and Compared, Vol. 52 (Classic Reprint) (Hardback)

By Dorothy Ruth Morgenthau

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Some Well-Known Mental Tests Evaluated and Compared, Vol. 52 As to the schedule of tests to be used in testing normal minds it was found best not to use the stanford-binet alone but to have the schedule composed of that test and the five others which were found valuable. From the tests used and results obtained it cannot be stated here whether this schedule is of value as to vocational guidance for the reason that the factors involved in each test are not known with certainty and until they are known, definite valid conclusions about the abilities of the individuals concerned cannot be reached. Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

-- Cathrine Larkin Sr.

Very useful to all of group of people. I actually have read through and so i am certain that i will planning to study yet again once again down the road. I am just very easily can get a satisfaction of looking at a created book.

-- Mark Bernier
