Covalent Counsel: In Pursuit Of The Ultimate Intimate Spiritual Experience is a bold and provocative spiritual direction for personal transformation that focuses solely on the accomplished work and prevailing power of Christ. The author/psychologist offers a clear and ever-present spiritual paradigm for counseling regarding intimacy with God and others. His four stages of covalence are groundbreaking for those who seek Christ and yearn for a deeper knowledge and experience of him. His biblically based presentation of spiritual healing and forgiveness in Christ shatter old notions on how to mend relationships. Knowing the power of Christ in you will cause your heart to leap for joy. The author stands on the biblically based belief that all love, power, faith, and hope are found in God through Christ. His five life and death questions elevate us to a higher level of spiritual thinking regarding the notion of death and life after death. Passionate about Christ as the center of relationships, the author offers greater hope for living in a dark and perverted world.
