Rosen Classroom, United States, 2015. Paperback. Book Condition: New. Language: English . Brand New Book. Shapes are everywhere, and understanding geometric properties is an essential part of math education. A comprehensive introduction to geometry is told through relatable narratives and real-world situations, teaching readers how to recognize geometry in everyday life. Engaging visuals and age-appropriate content work together to reinforce complex math concepts. Creating a mural can bring a community together as it teaches students about partitioning shapes. This volume meets CCSS Math Standard 2.G.A.3.
