

Not Lives: Vol. 4 (Paperback)

Filesize: 8.51 MB

Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

NOT LIVES: VOL. 4 (PAPERBACK)**DOWNLOAD**

Seven Seas Entertainment, LLC, United States, 2016. Paperback. Condition: New. Translation. Language: English . Brand New Book. Not Lives is an all new, ongoing manga series that thrusts the readers into the middle of a virtual reality game. From author and artist Wataru Karasuma, Not Lives is about a gaming genius who suddenly finds himself struggling to survive in a deadly game - as a girl! Not Lives will appeal to fans of No Game No Life, Sword Art Online, and other similar tales that focus on being transported inside a gaming world. Not Lives goes one step further than typical stories in this genre, however, as this story combines virtual reality with a genderbender spin. Each volume of Not Lives contains beautifully detailed artwork and colour inserts. High school student Mikami has always been an eccentric oddball who doesn't quite fit in. Little do his classmates know, Mikami moonlights as a game designer extraordinaire. His mission is simple: create the ultimate romance game! Sounds easy, right? When Mikami decides to play a mysterious game that he comes across, things take a turn for the bizarre as he suddenly is thrust into a survival game and transformed into a beautiful girl! Inside the game, if Mikami loses, it's not only his female avatar that's on the line, but his very own life.
