Sixties British rock and pop changed music history. While American popular music dominated the record industry in the late fifties and early sixties, the Beatles, the Rolling Stones, the Kinks, the Who, and numerous other groups soon invaded the world at large and put Britain at the center of the modern musical map. Please Please Me offers an insider's view of the British pop-music recording industry during the seminal period of 1956 to 1968, based on personal recollections, contemporary accounts, and all relevant data that situate this scene in the economic, political, and social context of postwar Britain. The consequences of World War Two for pop music in the late fifties and early sixties form the backdrop for discussion of recording equipment, musical instruments, and new jet-age transportation, all contributors to the rise of British pop-music alongside the personalities that more famously made entertainment news. And these famous personalities traverse the pages of Please Please Me as well: performing songwriters John Carter and Ken Lewis, Lennon and McCartney, Jagger and Richards, Ray Davies, and Pete Townshend took center stage while the production teams and...
