Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Student Led Discipline is a comprehensive, classroom management system that empowers students to manage their own behavior. There are three components to Student Led Discipline: Classroom Environment, Classroom Setup and Classroom Employment. Throughout this book, teachers are provided with the background information on Student Led Discipline and given step-by-step directions on how to implement the classroom management system in their classrooms. Teachers have the option of implementing all three components or choosing one or two components. Although Student Led Discipline was created by a physical education teacher, the classroom management system can be used in the regular classroom as well as other school settings. The versatility of Student Led Discipline also makes it applicable outside of schools. Implementing Student Led Discipline will have a positive impact on students, their teachers and their schools.
