*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest eBook i have read during my very own daily life and could be he best eBook for possibly.

I have looked into the eyes of angels and chased by the devil himself! Circumstances make me travel the back roads of America for the rest of my life. A nomadic existence from which there is no escape, at least, not for me. I did not choose this lifestyle, it was forced upon me. I live everywhere and nowhere. The stars on my roof, the sun is my blanket and in the dark of night, I write the words that may change your life forever. I seek the most-noble cause in the universe, true love. A person that makes the summer fly or a night seem like a lifetime. Somewhere out there, my other perfect half waits. I am on a quest, searching...
