

## Fraseologismos somáticos del alemán

Filesize: 5.91 MB

### **Reviews**

*This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).*

*(Lorenz Vandervort)*

## FRASEOLOGISMOS SOMÁTICOS DEL ALEMÁN

[DOWNLOAD](#)

Peter Gmbh Lang Feb 2004, 2004. Taschenbuch. Condition: Neu. Neuware - Se estudian aquí los fraseologismos del alemán que contienen lexemas referidos a partes de la anatomía humana o animal. Partiendo de un corpus de 1385 fraseologismos somáticos (somatismos), tomados del diccionario Duden 11 - Redewendungen und sprichwörtliche Redensarten, se estudian las características que definen los fraseologismos y los somatismos como clase léxico-semántica específica de los fraseologismos, su idiomatización y sus variantes estructurales. Es un análisis teórico-práctico de tipo descriptivo-inductivo, que tiene como principales objetivos demostrar empíricamente en primer lugar cómo el significado fraseológico (mayoritariamente transparente) está condicionado por el significado literal de estas estructuras y de sus respectivos lexemas somáticos, y en segundo lugar presenta una variada tipología de modelos formativos semánticos que contradicen la supuesta irregularidad consustancial a los fraseologismos. 268 pp. Spanisch.
