Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Recording Artist Taja Sevelle, who signed her first record deal with Prince, outlines a courageous plan for bringing the world into balance and shares the reasons she put her music career on the back burner to start the global nonprofit organization Urban Farming. While recording her third CD for Sony Records in Detroit, Taja saw the widespread poverty in the city and learned about its vast stretches of unused land. In 2005, she founded Urban Farming with a pamphlet, three gardens and \$5,000 of her own money. Inspired by a global vision to "Create an Abundance of Food for All in Our Generation," she pulled from her teenage experience of living on a farm for three years and began to plant food on vacant city land. Within five years the organization had installed hundreds of gardens across the country and abroad, helped feed over a million people and inspired an important global movement, garnering the support of close friends, major corporations, celebrities and local communities. By 2011, more than 56,000 gardens worldwide had become part of the Urban Farming Global Food Chain®, and the organization had received international recognition on The Ellen Show, Good Morning America, the BBC, CNN, NPR, The New York Times, USA Today and over 30,000 other media outlets. With chronicles of intrigue, excitement and risk-taking vision, From The Root, 8 Ways to Balance and Change le Monde offers a formula for integrity and respect in all of our relationshipsbusiness, social, spiritual, personal, political and environmental. It takes a new approach to world affairs, showing the importance of coexistence between business growth, job creation, health and wellness, urban redevelopment, urban agriculture and...
