

Lord of Opium

By Nancy Farmer

Simon & Schuster, 2013. Paperback. Condition: New. Matt has always been nothing but a clone? grown from a strip of old El Patron?s skin. Now, at age fourteen, he finds himself suddenly thrust into the position of ruling over his own country. The Land of Opium is the largest territory of the Dope Confederacy, which ranges on the map like an intestine from the ruins of San Diego to the ruins of Matamoros. But while Opium thrives, the rest of the world has been devastated by ecological disaster?and hidden in Opium is the cure.And that isn?t all that awaits within the depths of Opium. Matt is haunted by the ubiquitous army of eejits, zombielike workers harnessed to the old El Patron?s sinister system of drug growing?people stripped of the very qualities that once made them human.Matt wants to use his newfound power to help, to stop the suffering, but he can?t even find a way to smuggle his childhood love, Maria, across the border and into Opium. Instead, his every move hits a roadblock, some from the enemies that surround him?and some from a voice within himself. For who is Matt really, but the clone of an evil, murderous dictator?. Paperback.
